8. **Explanation of business results of 2024:**

The parent company's business results in 2024 showed good growth. Revenue reached 215.471 million VND, achieving 113% of the plan and increasing by 42% compared to the same period in 2023. After-tax profit reached 3.425 million VND, achieving 137% of the plan and increasing by 315% compared to the same period in 2023.

The business situation of the subsidiary - Smart Technology Investment and Development JSC (STID) - in 2024 showed more positive signals compared to 2023, with profitable business results. However, revenue and profit did not meet the planned targets due to the contraction of the traditional scratch card market, while the company's new products and solutions are still in the completion stage. Revenue in 2024 was 37.844 million VND, achieving 95% of the plan and increasing by 37% compared to 2023. Profit after tax was 168 million VND, achieving 17% of the plan.

The consolidated business results in 2024 showed strong growth compared to 2023 and exceeded the set targets, as follows:

- Consolidated revenue in 2024 reached 236.597 million VND, achieving 103% of the plan and increasing by 32% compared to 2023.
- Consolidated after-tax profit in 2024 reached 3.594 million VND, achieving 103% of the plan and rising by 1,059% compared to 2023.
- Cumulative consolidated profit after tax attributable to parent company shareholders in 2024 reached 3.526 million VND, achieving 114% of the plan and increasing by 288% compared to 2023.
